

Northwest Florida Marine Industries Association

NWFMIA NEWS

Volume 1, Issue 2

4/1/13

NWFMIA NEWS

The first quarter of 2013 was a very exciting time for the Northwest Florida Marine Industries Association. From multiple guest speakers, to the 2013 Raffle Project. The Association is also undergoing a Logo change to help reface the NWFMIA. Our focus for 2013 is to raise our membership levels, and to continue making positive movement for our members.
